## NINETEEN EIGHTY LOUNGE & BAR

Introducing a vibrant new social hub, a stunning addition to the transformation at Hyatt Regency Tokyo

**TOKYO (April 22, 2025)** – Hyatt Regency Tokyo is proud to announce the most extensive transformation in its 45-year history. A focal point of the transformation is the majestic Lobby with the creation of a convivial Lounge & Bar. The hotel will debut Nineteen Eighty Lounge & Bar on April 24, 2025. A stylish Lounge & Bar with cozy seating areas designed to inspire connection and relaxation over craft beverages and spirits, afternoon tea and freshly brewed coffee.

Located in the heart of the newly reimagined lobby, Nineteen Eighty Lounge & Bar is a social hub with a fresh perspective with timeless designs inspired by Shinjuku's rich heritage and vibrancy. This transformation has been designed in collaboration with the internationally renowned hospitality interior design practice G.A Group, blending traditional elements that honor the hotel's 45-year history with an imposing railway-inspired clock, reminiscent of the original Shinjuku train station.

Emblematic of Hyatt regency Tokyo, the majestic Lobby is renowned for its trio of spectacular chandeliers, adorned with approximately 115,000 Swarovski® crystals that hang eight floors (28 meters) overhead the intricately inlaid marble floor in a showcase of meticulous craftsmanship and grandeur. These grand chandeliers have long captured the admiration of countless guests passing through the hotel lobby since our opening.

Nineteen Eighty Lounge & Bar offers an all-day menu of thoughtfully crafted dishes, featuring reimagined classics infused with Japanese ingredients. Highlights include the Grilled Tokyo Akikawa Beef Sirloin, paired with our signature 'Café de Paris Butter'—a cherished recipe inspired by the 1980s."
